Entitlement to attend

Preference is given to GOVIS members and sponsors of the conference. GOVIS members can invite their business partners or other organisations that they think will benefit. Check your membership on www.govis.org.nz/members.htm. Secondary preference is given to staff of Departments of the Public Service, Crown Entities and Local Government where the organisations are not GOVIS members. Other people may apply, but GOVIS reserves the right to decline their application.

The organising team would like to express thanks to the conference sponsors for their generous support that has enabled us to keep the conference fee consistent with the 2005 rate.
